Hush, baby don't cry  
Just get through this night  
Overcome

Cuz all that you are  
Is broken inside  
But they'll never know  
They'll never know

Don't think that they'll change  
They push you away  
Far from home

Cuz all that they are  
Is broken inside  
But they'll never know  
They'll never know

Don't you cry tonight  
Rest your weary eyes  
Cuz all that you are  
Is broken inside  
It's nothing you could change  
It's nothing you could hide  
It's nothing you could hide

(piano and violin)

Pink flowers and bows  
That's all you should know  
And summer days

Cuz all that you are  
Is beautiful child  
But they'll never know  
They'll never know

So don't you cry tonight  
Rest your precious eyes  
Cuz all that you are  
Is beautiful child

It's nothing they could change  
It's nothing you could hide  
It's nothing you should hide

Oh oh oh

Cuz all that you are  
Is beautiful child  
But they'll never know  
They'll never know
