i'm doing this tonight  
you're probably gonna start a fight  
i know this can't be right  
hey baby c'mon  
i loved you endlessly  
and you weren't there for me  
so now it's time to leave and make it alone  
i know that i can't take no more  
it ain't no lie  
i wanna see you out that door  
baby bye bye bye  
don't wanna be a fool for you  
just another player in your game for two  
you may hate me but it ain't no lie  
baby bye bye bye  
don't really wanna make it tough  
I just wanna tell you that I've had enough  
it might sound crazy but it ain't no lie  
baby bye bye bye  
just hit me with the truth  
girl you're more than welcome to

so give me one good reason

baby c'mon

i lived for you and me

and now I've really come to see

that life would be much better once you're gone

i know that i can't take no more

it ain't no lie

i wanna see you out that door

baby bye bye bye

(chorus)

i'm givin' up i know for sure

i don't wanna be the reason for your love no

more

bye bye

i'm checking out i'm signing off

i don't wanna be the loser and i've had enough

i don't wanna be your fool

in this game for two

so i'm leavin' you behind

bye bye bye

i don't wanna make it tough

but i've had enough

and it ain't no lie

bye bye

i don't wanna be a fool for you

just another player in your game for two

i don't wanna be your fool

but it ain't no lie

baby bye bye bye

don't really wanna make it tough

i just wanna tell you that i've had enough

it might sound crazy but it ain't no lie

baby bye bye bye
