Wherever I go, whatever I do
Whenever my heart is crying out for you
Wherever I go, whatever I do
I'm crazy for you
It's not easy to be alone
It's not easy to fall in love
Every night I just get down and pray
That you come my way, yeah
I've never had a girl like you
(Girl like you)
I've never known what love could do
Wish you'd come, baby and set me free
I can't let it be, yeah
Wherever I go, whatever I do
Whenever my heart is crying out for you
Wherever I go, whatever I do
I'm crazy for you
I wanna, I wanna rock with you
I'm gonna, I'm gonna make it true
I wanna, I wanna rock with you
I'm crazy for you

I'm waiting for the phone to ring
And all the wonder love should bring
All the things, darling I left behind
Please give me a sign
A little smile would light my life
And a single touch would blow my mind
Girl you know, by now you've got to be mine
Till the end of time
Wherever I go, whatever I do
Whenever my heart is crying out for you
Wherever I go, whatever I do
I'm crazy for you
Wherever I go, whatever I do
My heart is crying out for you
Wherever I go (wherever I go)
Whatever I do, I'm crazy for you
I wanna, I wanna rock with you
I'm gonna, I'm gonna make it true
I wanna, I wanna rock with you
I'm crazy for you
Ooh, and I will know
Wherever I go, whatever I do
My heart is crying out for you
Wherever I go (wherever I go)
Whatever I do

Wherever I go, whatever I do

(Wherever I go, whatever I do)

My heart is crying out for you

Wherever I go (wherever I go)

Whatever I do, I'm crazy for you

Wherever I go, whatever I do

My heart is crying out for you

Wherever I go (wherever I go)

Whatever I do, I'm crazy for you
