I'm sick and tired of hearin' all these dicks talk about

What's the deal, with this Pop life and when is it gonna  
fade out?

The thing you've got to realize what we're doin' is not a  
trend

We got the gift of melody, we're gonna bring it 'till the  
end (come on now)

It dosen't matter

'Bout the car I drive, what' around my neck

All that matters

Is that you recognize that it's just about respect

It dosen't matter

'Bout the clothes I wear and where I go and why

All that matters

Is that you get hype and we'll do it to you everytime  
(come on now)

Do you ever wonder why

This music gets you high

It takes you on a ride

you feel it when your

Body starts to rock

And baby you can't stop

And the music's all you got

This must be Pop

Dirty Pop

Baby, baby you can't stop

I know you like this

Dirty Pop

This must be...

Now why you wanna try to classify the type of thing we  
do

'Cause we're just fine doin', what we like

Can we say the same for you?

I'm tired of feelin' all around me animosity

Just worry 'bout yours 'cause I'm a get mine now people  
can't you see

It doesn't matter

'Bout the car I drive or the ice around my neck

All that matters

Is that you recognize that's it's just about respect

It doesn't matter

'Bout the clothes I wear and where I go and why

All that matters

Is that you get hype and we'll do it to you everytime  
(come on now)

Do you ever wonder why

This music gets you high

It takes you on a ride

you feel it when your

Body starts to rock

And baby you can't stop

And the music's all you got

This must be Pop

man I'm tired of singin'

(music break)

Dirty, dirty, dirty pop

Dirty pop

Do you ever wonder (echo)

(music break)

Do you ever wonder why

This music gets you high

It takes you on a ride

you feel it when your

Body starts to rock

And baby you can't stop

And the music's all you got

This must be Pop

(another music break)
