Waiting for your kiss about to drop out of the sky  
(Gotta go get it)  
Hesitating for somebody else to run and pass you by  
(But you never get your guy)  
There aint no excuse for losing your feet  
Drowning in your defeat  
On this road of life (do your thing)  
There ain't no excuse for coming up short  
The ball is in your court (ooh)  
So reach up and touch the sky  
Are you doing your thing and doing it well  
Are they looking at you, hating saying ooh  
Are you doing your thing and doing it good  
Do you thing thing, do you thing thing (do your thing)  
Do your thing...ooh (oh)  
Keeping yourself from taking on your perfect dream  
(you gotta free your mind)  
And being something somewhere that you read in a  
magazine  
(but you never let you shine)  
There aint no excuse for losing your feet

Drowning in your defeat

On this road of life. (do your thing)

There aint no excuse for coming up short

The ball is in your court (ooh)

So reach up and touch the sky

Are you doing your thing and doing it well

Are they looking at you, hating saying ooh

Are you doing your thing and doing it good

Do you thing thing, do you thing thing (ooh)

Are you doing your thing and doing it well

Are they looking at you, hating saying ooh

Are you doing your thing and doing it good

Do your thing thing

(Believe can't nobody do it better than you)

Do your thing thing

(Believe can't nobody do it better than you)

Are you doing your thing well

Are you letting your dreams come alive

Are you doing your thing good

Believe can't nobody do it better than you

(can't nobody do it better, yeah)

Believe can't nobody do it better than you

Gotta rock

Gotta break

Gotta go

Gotta take everything that I bring

Never did fall

Gotta hump

Gotta bump

Never sit

Never stop

Never quit from the swell of a lump...ah

If you really wannna brag

That you can't never drag

Your feet to the beat

Of the sound of defeat

And even if you got heat...Whoa

Never take your mind off the beat of the song

(There aint no excuse)

There aint no excuse for losing your feet (for losing  
your feet)

Drowning in your defeat

On this road of life (do your thing)

There aint no excuse for coming up short

The ball is in your court (ooh)

So reach up and touch the sky. (Sky, yeah,yeah,yeah)

Are you doing your thing and doing it well

Are they looking at you, hating saying ooh

Are you doing your thing and doing it good

Do you thing babe

(Believe can't nobody do it better than you)

Do you thing babe

(Believe can't nobody do it better than you)( oh)

Are you doing your thing and doing it well

Are they looking at you, hating saying ooh
