You sheltered me from harm

You kept me warm, you kept me warm

And you gave my life to me

You set me free, you set me free

The finest years I ever knew

Were all the years I had with you

CHORUS

And I would give everything I own

Give up my mind, my heart, my home

I would give everything I own

Just to have you back again

You taught me how to love

What a time, what a time

You never said too much

But still you showed the way

And I knew from watching you

And nobody else could ever know (nobody else could  
ever know)

The part of me that can't let go

CHORUS

Is there someone you know

You're loving them so  
But taking them all for granted  
You may lose them one day  
Someone takes them away  
And they don't hear  
The words you long to say (long to say) yeah  
Give up my life, give up my heart  
Everything I own  
Everything I own  
Everything I own  
Everything I own  
You know baby  
My love for you will  
Always stay true  
That's right  
'Cuz there is no me  
Without you  
I would give everything I own  
Everything I own  
Nobody can love you  
Love you love you love you like I do  
CHORUS  
Just to have you back again
