You sheltered me from harm.

You kept me warm

You kept me warm

And you gave my life to me

You set me free,

You set me free

The finest years I ever knew

Were all the years I had with you

I would give everything I own,

I'd give up my life, my heart, my home.

And I would give everything I own,

Just to have you back again.

You taught me how to laugh,

What a time

What a time

You never said too much,

But still you showed you cared,

And I knew from watching you.

And nobody else could ever know

The part of me that can't let go.

I would give everything I own,

I'd give up my life, my heart, my home.

And I would give everything I own,

Just to have you back again.

Is there someone you know,

Loving them so,

You're taking them all for granted.

You may lose them one day,

Someone takes them away,

And they don't hear the words

You long to say

Give up my life, give up my heart

Everything I own (Repeat)

You know baby, my love for you will

always stay true. That's right. 'Cause

there is no me without you. (And I would give everything)

Everything I own Nobody can love you, love you

Love you, love you like I do

I would give everything I own,

I'd give up my life, my heart, my home.

And I would give everything I own,

Just to have you back again.

Just to have you back again
