Yeah yeah.. oh hmm I don't know how
I don't know why
But girl it seems
You've touched my life
You're in my dreams
You're in my heart
I'm by myself
When we're apart
Something strange has come over me
A raging wind across my seas
And girl you know that your eyes are to blame
And what am I supposed to do
If I can't get over you
I come to find that you don't feel the same
Cause I'm fallen
Girl I'm fallen for you
And I pray your fallen too
I've been fallen fallen
Ever since the moment I laid eyes on you
I loose my step
I loose my ground

I loose my self

When you're around

I'm holding on for my life

To keep from drowning in your eyes

Girl what have you done to me

To make me fall so desperately

To think that I don't even know name

No, no

How am I supposed to live

If I can't get over this

You decide you don't feel the same

Cause I'm fallen fallen

Girl I'm fallen for you

And I pray your fallen too

I've been fallen fallen

Will you stay or will you go

Heaven, heaven knows what my future holds

Questions, questions linger on my mind

Day break from day break to dark of night

I'm fallen I don't know what's come over me

Can't you see that I'm fallen fallen

Girl I'm fallen for you

And I pray your fallen too

I've been fallen fallen

Ever since the moment I laid eyes on you
