Would you be my girlfriend?

Would you be my girlfriend girlfriend girlfriend...

Would you be my girlfriend?

(I like ya, right?)

Would you be my girlfriend?

I don't know why you care

(Why you thinking 'bout him?)

He doesn't even know you're there, no, no

'Cause he don't love your eyes

And he don't love your smile

Girl, you know that ain't fair

(C'mon)

The middle of the night

Is he gonna be by your side?

(No, no)

Or will he run and hide?

You don't know 'cause things ain't clear

And baby, when you cry

Is he gonna stand by your side?

Does the man even know you're alive?

I got an idea

Chorus:

Would you be my girlfriend?

I'll treat you good

I know you hear your friends when they say you should

'Cause if you were my girlfriend

I'd be your shinin' star

The one to show you where you are...

(Girl, you should be)

My

Girl

Friend

Does he know what you feel?

(He know whatcha feel?)

Are you sure that it's real?

(Are ya sure?)

Does he ease your mind?

(Nah)

Or does he break your stride?

Did ya know that love could be a shield, yeah

The middle of the night

(Ooooh)

Is he gonna be by your side?

(No, no)

Or will he run and hide?

You don't know 'cause things ain't clear

And baby, when you cry

Is he gonna stand by your side?

(No, no)

Does the man even know you're alive?

I got an idea

Chorus:

Would you be my girlfriend?

(Yeah, yeah)

I'll treat you good

(I'll treat ya good, girl)

I know you hear you friends when they say you should,
baby

'Cause if you were my girlfriend

I'd be your shinin' star

The one to show you where you are...

(Girl, you should be)

My

Girl

Friend

Ohhh, ahhh ahhh, ahhh

(You make my heart sing)

Ever since I saw your face

Nothin' in my life has been the same

I walk around just sayin' your name

Without you my world would end, yeah

I searched around this whole damn place

And everything says you were meant to be

My girlfriend, oh

Hey, why don't you be my girlfriend, yeah

I'll treat you good

I know you hear your friends when they say you should

'Cause if you were my girlfriend

(My girlfriend)

I'll be your shining star

The one to show you where you are

(Girl, you should be)

My

Girl

Friend

Ahhh, ah, ahhh

(You make my heart sing)

Baby, baby, yeah

(You make my heart sing)

Ahhh, ah, ahhh

(Girl, you should be)

My

Girl

Friend

(Girl, you should be)

My

Girl

Friend

(Girl, you should be)

My

Girl

Friend

(Girl, you should be)

My

Girl

Friend

(Girl, you should be)

My

Girl

Friend
