Would you be my girlfriend?

Nelly:

Uh, Ay, Ay

Uh, Would you be my girl?

Would you be my, (would you be my girlfriend?)

Would you be my, (would you be my girlfriend?)

Uh, Ay,

Check it

He don't want you like I want you believe me boo I been told

He don't appreciate you, ma, I can tell by the way he hold you

He don't love you like I can love you

Or squeeze you like I squeeze

I'll make your neck pop back and in fact I'll buckle your knees (hey)

Okay, baby what's it gon' take for you to be my lady (tell me right now)

I hear your friends say you should

Your parents say you was good

Your lil' sister keep yellin', "Nelly, I wish you would"

But you're hesitatin', debatin' whether or not it's real

I ain't shootin game, boo, I'm just tellin you how I feel

I'm diggin everything about you

Your hips an' the way the sway

I hate to see you leave boo, but let us see ya all the way

I'll be your personal shrink, boo, I care what you think

I bought the Bentley in pink 'cuz my dough \*NSYNC

So tell ya man bye bye and tell 'em your long (gone)

Ain't no needin' waitin' up, you done found you another  
(home)

(woo)

\*NSYNC:

I don't know why you care (why you thinkin' bout him  
mamma?)

He doesn't even know you're there

'Cause he don't love your eyes (no)

And he don't love your smile (no)

Girl you know that ain't fair (c'mon)

In the middle of the night

Is he gonna be by your side?

Or will he run and hide?

You don't know cause things ain't clear

And baby when you cry

Is he gonna stand by your side?

Does the man even know you're alive?

I got an idea

Why don't you be my girlfriend

I'll treat you good (I'll treat you good girl)

I know you hear your friends when they say you should

'Cause if you were my girlfriend

I'd be your shining star

The one to show you where you are

Girl you should be my girlfriend

Does he know what you feel

Are you sure that it's real yeah (are you sure?)

Does he ease your mind (nah)

Or does he break your stride?

Did you know that love could be a shield yeah

In the middle of the night (hoooo)

Is he gonna be by your side? (no no - no)

Or will he run and hide?

You don't know cause things ain't clear

And baby when you cry (oooh)

Is he gonna stand by your side? (no no)

Does the man even know you're alive?

I got an idea (listen girl)

Won't you be my girlfriend (yeah yeah)

I'll treat you good (I'll treat you good girl)

I know you hear your friends when they say you should,  
baby

'Cause if you were my girlfriend (uh uh uh uh)

I'd be your shining star (I'd be that one to shine for ya,  
girl)

The one to show you where you are \*Check it, ah ah ah  
ah ah ah\*

Girl you should be my girlfriend

Nelly:

Ah, need a fiancée, cute as Beyoncé,

Ghetto like Da Brat

Ready to scrap when I say

The talents of Alicia, fall Ms. Keys

I take the hips off Trina

And lips off Eve

I put ya so high on a pedestal, it might make ya nose  
bleed

So much ice around ya ankles, and watch ya toes  
freeze

Whats wrong, ma? Ya man ain't bringin' ya joy?

Don't trip flip ya script to a country boy

Now c'mon

Ever since I saw your face

Nothing in my life has been the same

I walk around just saying your name

Without you my world would end, yeah

I've searched around this whole damn place

And everything says you were meant to be

My girlfriend... oh

(hey why don't ya)

Won't you be my girlfriend (yeah)

I'll treat you good (uh)

I know you hear your friends when they say you should

'cause if you were my girlfriend (my girlfriend)

I'd be your shining star (be your shining star yeahh)

The one to show you where you are

Girl you should be my girlfriend (you make my heart sing)

Ahh... \*uh uh uh uh\* (you make my heart sing)

Ahh... (you make my heart sing)

Ahh... \*uh uh uh uh\* (my baby, baby, yeah) (you make my heart sing)

Ahh... (girl you should be my girlfriend) \*would you be my\*
