There's a thousand words that I can say,
To make you come home.
Yeah,
Seems so long and ago you walked away,
Left me alone.
I remember what you said to me,
You were acting so strange. (Yeah)
And maybe I was too blind to see,
that you needed a change.
Was it something I said,
to make you turn away,
to make you walk out and leave me cold.
If I could just find a way...
to make it you so that you'll be right here,
Right now
Chorus
I've been sitting here,
Can't get you off my mind,
I'm trying my best a man and be strong
I drove myself insane,
Wishing I could touch your face,

But the truth remains...

You're, Gone, (gone)

Baby, you're gone,

You're, Gone,

Baby Girl, you're gone,

Gone,

You're...

I don't want to make excuses baby,

won't change the fact that you're gone (gone)

If there's something that I could do

Won't you please let me know,

Time is passing so slowly now,

Guess that's my life without you. (Guess that's my life
without you)

Baby, I can change my everyday,

Baby, I don't want to.

I'll just hang around, and find some things to do,

Take my mind off missing you.

(Take my mind off missing you)

And I know in my heart,

You can say that you don't love me to,

Please say you do...

(Yeah)

Chorus

I've been sitting here,

Can't get you off my mind,

I'm trying my best a man and be strong

I drove myself insane,

Wishing I could touch your face,

But the truth remains...(truth remains...you're)

You're, Gone, (gone)

You're, Gone.

Gone, Gone

You're, Gone,

Gone,

You're, Gone,

You're Gone...

Bridge

Baby girl, you are gone.

Oh what I'll do

Still in your heart

Baby girl, don't you see,

That I need you here with me

Ohhhhhhhh,

Gone.

Chorus

I've been sitting here, (sitting here)

Can't get you off my mind, (can't get you off of my
mind)

I'm trying my best a man and be strong, (trying my best
to be a man)

I've drove myself insane,

Wishing I could touch your face,
But the truth remains...(truth remains)
You're, Gone, (sitting here)
I've drove myself insane,
Wishing I could touch your face,
But the truth remains... (truth remains)
You're, Gone,
You're, Gone.
Baby, you're gone,
But the truth remains...
you're
