Here and now

Is the way I live

Unafraid of what life gives

And there have been times in my life

I couldn't see a difference

In pain or in joy, or in sun or in rain

They just seem the same

But I'm only human

Branded by my ambitions

But I'm going to make it

Here and now

Is the way I live

With an open heart and mind

(Here and now)

So many intentions

In this life I could have followed

But one of those paths must lead to your heart

Here and Now

Is the way I live

Unafraid of what life gives

Respect things I don't understand

(Here and now)

So many intentions

In this life I could have followed

But one of those paths must lead to your heart

Here and Now

(Here and Now)

Here and Now
