Here we go...

CHORUS:

Here we go, one more time

Everybody's feeling fine

Here we go now

(Yes yes yes, here we go)

('N Sync has got the flow)

Bounce your head to the beat

We've got everything you need

Here we go now

(Yes yes yes, here we go)

('N Sync has got the flow)

Here we go just one more time

And everybody's feeling fine

Here we go now

Here we go, yeah

If you wanna party with us

Just feel free and feel the rhythm

Here we go now

Here we go

You know the party's here

Sing along and have no fear

'N Sync is here to make you people scream

Now is the time for us to reunite

Come on party people, there's a party going on tonight

Tonight is the night

Everything's gonna be all right

Just get up, feel the flow

And here we go

CHORUS

Let's sing it one more time

Everybody's feeling fine

We've got the skills to keep this party pumping baby

(Keep dancing all night long)

Until the break of dawn

(Break of dawn, oh)

Come on party people, there's a party going on tonight

Tonight is the night

Everything's gonna be all right

Just get up, feel the flow

And here we go

CHORUS

(Keep dancing all night long)

Yeah

(Break of dawn, oh)

You gotta do what you feel, do what you like yeah

(Keep dancing all night long)

Come on and keep on dancing

(Break of dawn, oh)

Here we go...here we go

Here we go, one more time

Everybody's feeling fine

Here we go now

(Yes yes yes, here we go)

('N Sync has got the flow)

Bounce your head to the beat

We've got everything you need

Here we go now

(Yes yes yes, here we go)

('N Sync has got the flow)

Here we go just one more time

And everybody's feeling fine

Here we go now

Here we go, yeah

If you wanna party with us

Just feel free and feel the rhythm

Here we go now

Here we go
