Fa la la Fa la la Fa la la la la

Lookin back on childhood days

I can't believe my foolish ways

Thought that Christmas only came from the stores

And to know what was there for me,

Underneath the Christmas tree

Didn't know that there could be so much more

But in all of the rush

I was missin so much

Girl, you make me finally see

Chorus:

I never knew the meaning of Christmas

Till you came into my life

I was lost in the dark

Till you opened my heart

Like an angel shining bright

I wished on a star

And girl here you are

Suddenly I realize

That I never knew the meaning of Christmas

Until I looked into your eyes

Comin home for the Holidays

Seein friends from around the way

There was always something missin for me

On a sleigh ride caroling

Did it really mean anything?

Without that someone who can make it complete

While the snow's fallin down,

There was joy all around

Cuz girl, your love has shown me the way

Chorus

Fa la la Fa la la Fa la la la la la

Singin la la la la la la la la la la la la

Fa la la Fa la la Fa la la la la la

Singin la la la la la la la la la la la la

But in all of the rush

I was missin so much

Girl you make me finally see

Chorus

That I never knew the meaning of Christmas

Till I looked into your eyes
