oooh Baby , i saw you yesterday , can't get you out of
my mind

if you look into my eyes the truth you will find , oh!

i want your body and i know you want mine

are you sure your ready to cross that line, ooh!

Chorus

ya wanna get jiggy jiggy , ya wanna get down down

come on baby let's go go... go to town

ya wanna get jiggy jiggy , ride it ride it

i know you like it baby , don't hide it hide it

oooh and i love that thing you do (that thing you do)

and the way you do it, you make me want you

i want you up in my ass

i want you to pump it , oh so fast

Chorus

Fuck me , Suck me , Blow Me away , x 2

i hope we can do this everyday

cuz boy i want you and i know you want me

i'll give you my penis with no extra fee....
