Dialing, phone ringing)

Operator

Oh ya

I'll never stop

I dunno

Will you believe me,

After all that's said and done

All the lies, how I regret them baby now

I am the loser

And you shine like the sun

Tell me why can't I still be the one?

All right

Chorus:

I will never stop

Until you're mine

I can wait forever till the end of time

Cuz my heart is in your hands

don't you understand

I'll never stop

I'll never stop

How could I ever

when my heart is in your hands

and i know baby there is not turning back

They say that I'm crazy

that I kind of understand

How I wish for this nightmare to end

Oh yes

Chorus

Yeah ay

I'll never stop

Oh oh oh,

Do you believe me

that my heart is in your hands

Don't you understand

I'll never stop {I will never stop}

Till the end of time {I will wait forever}

My heart is in your heands {My heart is in your hands}

Chorus

(Busy signal)

Please hang up and try your call again

Please hang up, this is a recording
