If I'm not the one you want  
Take your time to figure out  
Yeah

I'm staring at your picture every night  
The thought of you still lingers in my mind  
I wonder if you're alone and feel alright  
and the sun has come out of the clouds

And sometimes when I listen to our song  
The nights seem so cold and far too long  
I wanna call you up cuz in the end  
I keep writing letters to my garbage can

Lately, feels like I'm goin' crazy  
And baby, come and lay down beside me

Chorus:  
If I'm not the one you want (than who's he)  
Take your time to figure out (and you'll see)  
If I'm not the one you want (than maybe)  
I'll be the one you need

I feel like it's on you I can depend  
Wish I could turn back the hands of time  
Lived enough of building castles in the sand  
Why can't we be forever

Lately, feels like I'm goin' crazy  
And baby, come and lay down beside me

Chorus x2

Somewhere in the back of my mind  
I know that you will be mine  
And somehow, wish i could rewind  
And leave all the worries behind

If I'm not the one you want  
I'll be the one you need  
(I'll be the one you need)

Take your time to figure out  
I'll be the one you need  
(I'll be the one you need)

Chorus
