Kiss me at midnight

5, 4, 3, 2, 1

Chorus:

Kiss me at midnight

Dance into the morning light

Party into the New Year

All of my friends are here and when the timing's right

Kiss me at midnight

Kiss

I've been waiting for this special night

To be with you

The colors of Christmas are still shining bright

And I know what we're gonna do

Anticipatin'

Music is playin

The magic is in the air

All through the season

You've been the reason

I have so much love to share

Chorus

Kiss

Kiss me at midnight

Kiss

We've been makin' promises in the dark

Our resolutions

As a brand New Year is about to start

We're together

Celebratin'

No more waiting

Our time has arrived

Feel the beat of my heart (Beat of my heart)

As the countdown starts (Countdown starts)

Just look into my eyes

Chorus

Baby it's New Year's Eve

A time we can believe

In makin' wishes

Dreams come true

Just for me and you

Chorus

(X3
