I woke up this morning and the sun was gone

Turned on some music to start my day

I lost myself in a familiar song

Closed my eyes and I slipped away

Ooh, ooh, ooh

(More than a feeling)

(More than a feeling)

Well it's more than a feeling

(More than a feeling)

When I hear that old song they used to play

(More than a feeling)

And I begin dreaming

(More than a feeling)

Till I see Mary Ann walk away

When I'm tired and I think I'm cold

I hide in my music and forget the day

And dream of a girl that I used to know

Close my eyes and she slipped away

Ooh, ooh, ooh

(More than a feeling)

(More than a feeling)

Well it's more than a feeling

(More than a feeling)

When I hear that old song they used to play

(More than a feeling)

And I begin dreaming

(More than a feeling)

Till I see Mary Ann walk away

Well it's more than a feeling

(More than a feeling)

When I hear that old song they used to play

(More than a feeling)

And I begin dreaming

(More than a feeling)

Till I see Mary Ann walk away

Close my eyes and slip away
