Over time, I've been building my castle of love, oh

Just for two

Though you never knew you were my reason

I've gone much too far for you now to say

That I've got to throw my castle away

Over dreams

Over dreams

I have picked out a perfect come true

Though you never knew it was of you

I've been dreaming

The sandman has come from too far away

For you to say come back some other day

And though you don't believe that they do

They do come true

For did my dreams

Come true when I looked at you

And maybe too, if you would believe

You too might be

Overjoyed, over loved, over me

Overjoyed, over loved, over me

And though the odds say improbable

What do they know

For in romance

All true love needs is a chance

And maybe with a chance you will find

You too like I

Overjoyed, over loved, over you

Overjoyed, over loved, over me
