Dirty pop

Sick and tired of hearin' all these people talk about...

What's the deal with this pop life and when is it gonna
fade out?

The thing you've got to realize what we're doin' is not a
trend

We got the gift of melody, we're gonna bring it 'till the
end

It doesn't matter

'Bout the car I drive, or what I wear around my neck

All that matters

Is that you recognize that it's just about respect

It doesn't matter

'Bout the clothes I wear and where I go and why

All that matters

Is that you get hype and we'll do it to you everytime

Chorus

Do you ever wonder why

This music gets you high

It's takes you on a ride

You feel it when your

Body starts to rock

And baby you can't stop

And the music's all you got

This must be POP!

Dirty pop

Baby, baby you can't stop

I know you like this

Dirty pop

This must be...

Now why you want to try to classify the type of thing we do?

'Cause we're just fine doin' what we like can we say the same for you

I'm tired of feelin' all around me animosity

Just worry 'bout yours 'cause I'm a get mine now people can't you see

It doesn't matter

'Bout the car I drive or the ice around my neck

All that matters

Is that you recognize that's it's just about respect

It doesn't matter

'Bout the clothes I wear and where I go and why

All that matters

Is that you get hype and we'll give it to you everytime

CHORUS

Ooooooh

Man I'm tired of singin'

CHORUS (3x
