She stood out just like a diamond lady
Amongst the tourists in a crowded room
I took her walking on the sandy beaches
Under a silk Carribean moon
That's when she promised that
And I promised this
And till this day I can still picture it
She took my hand
And I took her kiss
So temporary these moments of bliss

CHORUS:

Some dreams just fade away
Like yesterday's sunset
Some dreams are made to stay
She's one dream I'll never forget
Everyday just seemed to go too quickly
And ever night just passed us in a blur
I never noticed the blue skies and waters
Because I only had eyes for her
And so when she promised that
And I promised this

And to this day I can still picture it

She took my hand

And I took her kiss

So temporary these moments of bliss

REPEAT CHORUS

Roll back

Those crazy summer days

Stroll back

I'll find you through the haze

REPEAT CHORUS 2X
