"Somewhere Someday"

The clouds above you start to pour
and all of your doubts rage like a storm
and you don't know who you are anymore
let me help you find what you've been searching for

Chorus:

Somewhere

Somewhere there's a field and a river
you can let your soul run free

Someday

Someday let me be the giver
let me bring you peace

Somewhere

Somewhere there's a break in the weather
where your heart and spirit go free

Someday

Someday it'll be for the better

Let this bring you peace

Girl I know you think no one sees

the weight on your shoulders, but you can't fool me
and aren't you tired of standing so tall

let me be the one to catch you when you fall

Chorus (2x)

Let me bring you joy

bring you joy

Let me bring you peace

Bring you peace

take these tears that you cry

And trust them to me

Let me give you heart

give you heart

Let me give you hope

give you hope

Be the one constant love

that you've never known

Chorus

Somewhere

Somewhere

Somewhere

Somewhere

Somewhere

Someday

Let me be the one

Let me be the one

To catch you when you fall

Let me bring you peace
