Thats the way love goes

hhmmm

Like a moth to a flame

Burned by the fire

my love is blind cant you see my desire

thats the way love goes (goes)

my love is blind cant you see my desire

dont mind if I light candles

i like to watch us playing

baby you've got on what i like

come closer baby closer

reach out and feel my body

im gonna give you all my love

oh sugar dont you hurry

you've got me here all night

just close your eyes and hold on tight

oh baby dont stop dont stop

go deeper baby deeper

you feel so good im gonna cry

(ooohhh) i want to take you there

ooohohhoho

thats the way love goes

repeat like 13 x's
