Ohh ohhhhhhh

When the visions around you,

Bring tears to your eyes

And all that surrounds you,

Are secrets and lies

I'll be your strength,

I'll give you hope,

Keeping your faith when it's gone

The one you should call,

When you're standing here all alone...

And I will take

You in my arms

And hold you right where you belong

Till the day my life is through

This I promise you

This I promise you

I've loved you forever,

In lifetimes before

And I promise you never,

Will you hurt anymore

I give you my word

I give you my heart

This is a battle we've won

And with this vow,

Forever has now begun...

Just close your eyes

Each loving day (each loving day)

And I know this feeling won't go away

Till the day my life is through

This I promise you

ooh I promise you

Every word I say is true.

This I promise you

Ooh, I promise you...Ohh ohhhhhhh

Over and over I fall

When I hear you call

Without you in my life baby

I just wouldn't be living at all

Just close your eyes

Each loving day (each loving day)

And I know this feeling won't go away

Till the day my life is through

This I promise you

Every word I say is true.

This I promise you

Ooh, I promise you...

Oh yeah, yeah yeah yeah
