im feelin weak,  
i cannot sleep,  
my head is burnin,  
i feel cold down to my feet,  
now only you,  
somebody help,  
is there a cure for what ive got,  
somebody tell me,  
i need your lovin face,  
i need your sweet embrace,  
cuz you are my only medicine.  
you drive me crazy,  
why are you messin with my mind?  
you drive me crazy,  
why are you tellin all these lies?  
you drive me crazy,  
stop doin all these things to me.  
you drive me crazy,  
cuz all i want is to be free.  
youre on my mind,  
im so uptight,

i feel sensation in my head down to my spine,

goin insane,

cant stand the pain,

is my condition permanent?

somebody tell me,

i need your lovin face,

i need you sweet embrace,

cuz you are my only medicine.

you drive me crazy,

why are you messin wirth my mind?

you drive me crazy,

wh are you tellin all these lies?

you drive me crazy,

stop doin all these things to me.

you drive me crazy,

cuz all i want is to be free.

24/7 you are on my mind,

im goin crazy,

you are the cure,

and you know but you dont care,

boy youre drivin me insane.

youre always on my mind,

i need you all the time,

so come and get with me,

cuz darlin, youre the one i need

someone to hold me tight,

cuz i cant sleep at night,

you are my fantasy,

girl you drive me crazy
