We are copy cats we accept that

We want to be like everyone else

That's why we copy there moves

We don't care what our fans think

Yeah, all we want is there money to become rich

**BRIDGE**

Just keep it real is our motto

So this is the truth we don't care.....

**CHORUS**

Our fans don't care if we are boring

They don't care if we are stupid

They just like us 'cause they think that we are fine and  
good looking

But we know is not true

We really don't care, all we want is there money

We wanted to become more depedent by ourselves

That's why we copy Backstreet and sued Lou Pearlman

After we layed in bed with him we didn't like his sex  
and ideas

So that's why we decided to sue him.

Because it's all for the money not the career. Yeah

**CHORUS**

Our fans don't care if we are boring

They don't care if we are stupid

They just like us 'cause they think that we are fine and  
good looking

But we know is not true

We really don't care, all we want is there money

CHORUS

Our fans don't care if we are boring

They don't care if we are stupid

They just like us 'cause they think that we are fine and  
good looking

But we know is not true

We really don't care, all we want is there money

CHORUS

Our fans don't care if we are boring

They don't care if we are stupid

They just like us 'cause they think that we are fine and  
good looking

But we know is not true

We really don't care, all we want is there money

BRIDGE

Just keep it real is our motto

So this is the truth we don't care.....

CHORUS FADES

Our fans don't care if we are boring

They don't care if we are stupid

They just like us 'cause they think that we are fine and

good looking

But we know is not true

We really don't care, all we want is there money
