we are the stupids group in the world.

we always copy backstreetboys.

we have not got a brain so:

we copy the best boyband in the world:the backstreet boys.

we are stupid and also gays

firs justin was a gay

then jc, joey

lance and chris.

we know that we suck

and also our 10 fans

thanks so much for being our fan

in this way

we learn that

only 10 people in the world are stupid because they love us
