U drive me crazy

Why are you messin' with my mind

U drive me crazy

Why are you tellin' all these lies

U drive me crazy

Stop doing all these things to me

U drive me crazy

'Cause all I want is to be free

I'm feeling weak, I cannot sleep

My head is burning, I feel cold down to my feet

I wanna yell, somebody help

Is there a cure for what I've got

Somebody tell me

I need your lovin' face

I need your sweet embrace

'Cause you are my only medicine

U drive me crazy

Why are you messin' with my mind

U drive me crazy

Why are you tellin' all these lies

U drive me crazy

Stop doing all these things to me

U drive me crazy

'Cause all I want is to be free

You're on my mind I'm so uptight

I feel sensation in my head down to my spine

Going insane, can't stand the pain

Is my condition permanent, somebody tell me

I need your lovin' face

I need your sweet embrace

'Cause you are my only medicine

U drive me crazy

Why are you messin' with my mind

U drive me crazy

Why are you tellin' all these lies

U drive me crazy

Stop doing all these things to me

U drive me crazy

'Cause all I want is to be free

24/7

You're on my mind, I'm going crazy

You are the cure and you know but you don't care

Girl you driving me insane

You can say what you want to

Do what you wanna do

As long as you love me, girl, I won't front you

You're the sweetest thing
Let me be your man
Let me hold your hand
Or let me be your friend
Meanwhile I will set the house
Up on hill
Girl as you know it's all about the dollar-bill
Gonna treat you like a queen
Like a lady
Chica, chico, you drive me crazy
You're always on my mind
Need you all the time
So come and get with me
'Cause darlin' you're the one I need
Someone to hold me tight
'Cause I can't sleep at night
You are my fantasy
Girl you drive me crazy
U drive me crazy
Why are you messin' with my mind
U drive me crazy
Why are you tellin' all these lies
U drive me crazy
Stop doing all these things to me
U drive me crazy
'Cause all I want is to be free
