Friend of mine bought an automobile  
At a dollar down and a dollar a week  
Every time he turned the wheel  
It was a dollar down and a dollar a week

He went riding down the road  
Pinched this girl upon her cheek  
Speed cop took him to the judge  
He got a dollar down and a dollar a week

Sixty days he laid in jail  
At a dollar down and a dollar a week  
Another man was a lovin' his gal  
At a dollar down and a dollar a week

When he got out he shot the man  
And he laid him in the graveyard six feet deep  
And when he bought the graveyard spot  
It was a dollar down and a dollar a week
