A bubble, and a bubble

And I bubble my gum

A bubble, and a bubble

And I bubble my gum

A blabber, and a blubber

And I blubber my gum

A bleeber, and a blabber

And I bubble my gum

I woke up when the mornin' come

Bubble and a bubble and a bubble my gum

Comb my teeth with a wide-toothed comb

Bubble and a bubble and a bubble my gum

Dried my face in a lookin' glass

Put my lipstick on my nose

Put my hands into my socks

I put my feet into my gloves

And a bubble and a bubble

And I bubble my gum

Bubble and a bubble

And I bubble my gum

Bubble and a bubble

And I blubber my gum
Bleeber and a blabber
And I bubble my gum
Squirt my toothpaste on my hair
Stuck my toothbrush in my ear
Fixed my breakfast in my room
And I chewed and chewed my bubblin' gum
Heard a little rooster crow for day
and I heard him crow ten miles away
Stirred my oatmeal with my thumb
And I bubbled and bubbled my bubblin' gum
And a bubble, and a bubble
My bubblin' gum
And a bubble, and a bubble
My bubblin' gum
And a bubble, and a bubble
My bubblin' gum
And a bubble, and a bubble
My bubblin' gum
And a bubble, and a bubble
My gubblin' gum
Chewed my milk, drank my toast
I drunk down a big beef roast
Heard my daddy ask my mom
Who's that a bubblin' bubblin' gum

My brother walked with me to school
He said you bubble your gum like a fool
He offered me a knife, some marbles and gun
I gave him my bubblin' gum
And a bubble, and a bubble
My bubblin' gum
And a bubble, and a bubble
My bubblin' gum
