I want the whole world  
To know that  
I only have eyes for you

I want the whole world  
To know that  
I only have eyes for you

I don't nobody  
To have my love but you

You'll be home cookin' dinner or  
Strollin' down the avenue  
You'll be home cookin' dinner or  
Strollin' down the avenue

If my love comes down  
I come running smack dab to you

When it comes to you, baby  
I'm just a natural goof  
When it comes to you, baby  
I'm just a natural goof

I don't nobody  
To have my love but you

Some guys grab the first chick  
That passes by  
Others like a gal put a twinkle in her eye

Some like a gal 'cause she's so nice and kind  
But I love you, baby  
Because you're mine all mine, oh yeah  
I only have eyes for you

Oh yeah, I only have eyes for you  
I don't nobody  
To have my love but you
