Please remember me  
And we will meet in memory  
I'll ask about your day  
You will laugh and start to say  
You wanted to be with me  
Since the moment that I left  
But so much time has passed us by  
We'll promise that

If this is what we get  
Then let's make the most of it  
We can dance around the clouds up here  
And we'll be what might have been  
Close our eyes  
And just pretend that  
We are back again in yesteryear  
Oh, oh, oh

And so with every breath  
I'm breathing in to regret the day I left  
And I can feel it now  
My heart is like an empty house  
Where we used to lay together  
Past the break of day  
But now the days have passed us by  
Like dreams that fade

If this is what we get  
Then let's make the most of it  
We can dance around the clouds up here  
And we'll be what might have been  
Close our eyes  
And just pretend that  
We are back again in yesteryear  
Oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh

Oh, oh, oh  
Oh  
Woah, woah

If this is what we get  
Then let's make the most of it  
We can dance around the clouds up here  
And we'll be what might have been  
Close our eyes  
And just pretend that  
We are back again in yesteryear

Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh, oh  
Oh, oh
