You say it's coming  
But I can't see it at all  
You know me well, but I don't know you at all  
No, I don't know you at all  
It's always just on the horizon  
So my hopes rise and fall  
You know me well, but I don't know you at all  
No, I don't know you at all  
Early '90s dÃ©cor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be scene [repeat 2x]  
Been dreaming of blue skies  
New horizon and sides from my eyes  
The discovery of the unknown  
Is something to tell the folks back home  
I want to get away  
To feel the sun on my skin

To feel it really  
Sinking in  
Early '90s dÃ©cor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be scene [repeat 2x]  
Early '90s dÃ©cor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be scene  
Early '90s dÃ©cor  
It was the day for  
We wanted to play  
But we had nothing left to play for  
Colourless color  
Once in fashion, soon to be rediscovered
