My heart it melts like plastic  
I fell through the hole yesterday  
Your smile pulled me in like elastic  
I felt my mind detonate

Â

Oh I make mistakes  
And you just say its growing pains  
When I feel ashamed  
You tell me its just growing pains

Â

We broke in two like a matchstick  
It burns in my soul every day  
Every day

Your world was to me so fantastic  
And hell seemed so far away  
Far away

Â

O I've made mistakes  
And you just say its growing pains  
When I feel ashamed  
You tell me its just growing pains  
When I'm crying out for change  
You tell me its just growing pains  
And O I've made mistakes  
And yes I know its growing pains

Â

The truth it feels like concrete  
I drove into its walls yesterday  
I wish I could be realistic  
But like children

My dreams run away

Â

I know I've made mistakes  
You say its growing pains  
And when I feel ashamed  
You say its growing pains  
When I'm crying out for change  
You say its growing pains  
I know I made mistakes  
And I know its growing pains

Â

O I've made mistakes  
And you just say its growing pains  
When I feel ashamed  
You tell me its just growing pains  
When I'm crying out for change  
And O I've made mistakes  
And yes I know its growing pains
