Leaves, please be my light filter  
Shine, make me a shelter to hide  
Cos love makes you lose your sight  
And now the search party's on its way  
And the floodlight's on my face  
All the shadows that I walk in  
Are just my volatile second skin  
Â  
My reflections are protections  
They will keep me from destruction  
My directions are distractions  
When you're ready come in to the light  
Â  
Lines, design a pathway  
Shine, cut out the dark shapes to find  
Although I've really tried  
Only time is a lover's guide  
And now the railings fall away  
And the stencils draw a face  
Our outlines in the sunset  
Are just a fragile silhouette  
Â  
My reflections are protections  
They will keep me from destruction  
My directions are distractions  
When you're ready come in to the light  
Â  
My reflections are protections  
They will keep me from destruction  
My directions are distractions  
If you leave me I'll go back to hide
