[Ark] Ha ha

[Diamonique] Xtraordinary

Chorus: Diamonique (T-Weaponz)

Got me on the spot

Like what (Like what)

Better know what's up (You know what's up)

You steppin' to a girl

Like me (Like me)

Xtraordinary (Uh hun)

[Verse 1: Psalmz]

I'm that nigga that you yap about, brag about, wow

Knew that mami that I rap about, right about now

Got shorty going out her way, just to get me on a date

I'm in the room like a crib that's a house away

Shorty's living on her own

Got me sittin' in her home

While I'm sippin' on some liquor, got her strippin' to her bone

She a snake charmer

You should see the face on 'em

So hot, you could probably bake a cake on her

Wrote this on, based on, slim waist on her

Her hips gotta switch hard enough to break armor

Got to stay on her mind, wink all the time

Shorty's just fine, think I gotta make her mine

Repeat Chorus Twice

[Verse 2: IzReal]

I'm in the spot, and my fam up in here, hands in the air

Hand on the beer, plus a hand on the rear

Since I knew shorty already, banged her for years

Look how the chandeliers, hang off her ears

No groupie scenario, she's movie material

Ash shakes the ground, like music to stereos

Whole waste line, makes a waistline

Baby, I know I made mistakes

Fine

I can't promise, to be honest to you

Bet I won't fight about shit I'd probably do, too
So don't question what I did for you
When a nigga give up a rib for you (For real)

Repeat Chorus Twice

[Verse 3: Ark]

I'll have to sell, while I let my eyes do the walkin'
A little red bone, so vodka got me hawkin'
And I'm from New York and, it's not very often
I'm in ya neck in the woods, so please, skip the talkin'
This how actions speak louder than curves
A whole ass in the spot'll speak it louder than hers
But I don't let that swing me, and I don't deal with
maybe's
I play the game, I don't let the game play me
I make the money, ma, I don't let it make me
I'm the type of nigga you call, even though you hate me
You tell your girls, "He's crazy"
But you can't replace me
And you wish you didn't have to chase me

Repeat Chorus Twice

Hook: Psalmz

If you didn't know me then, but you know me now
I been lookin' for a woman that won't slow me down
You're lookin', good lookin', not a soul around
Still looking for a woman that can hold me down

Repeat Hook
