Con migo (Con migo)

[Verse 1: Psalmz]

Some picked
We were good for one hit
Now that's some [{*shit* }]
One trip, and that's it
We done with
Dijeron I would hit a wall en mi camino
They said, "It couldn't be done," look
Y lo icimos
I did it my way, mi manera
Young
Quick to raise guns like bandera, from
A slum that was from a novela
Some
How, I had to get up escaleda, so
You can get to know mi nombre
It won't be
Long, til you know el hombre, so donde
Estan las bellacas, carambas

Shake it like maracas
Cuidado que no tumba la casa

Repeat Chorus

[Verse 2: IzReal]

Mami, ven

Aqui, dame un canto, I'm a keep it real

Not a santo, baby take it easy, no pas tanto

I'm just giving you a sample of everything

Your man can't show by example

Don't take this as a falto (No)

Of respect, but, what did you

Expect, mami, ponme la ahi, yo te falto

Hold up, this is an asalto

Legs in the air, ma, I'm coming for that banco

Heavyweight, que paso

Gotta carry (???) por sea caso

Somebody wanna act que un payaso, chacho

All you gonna hear is un balaso, listen

This is grown man business, you ain't dealin' with
muchacos

[Noelle (T-Weaponz)]

Quien (Quien, quien, quien)

Quien quiere que (Quien quiere que, que, que)

Quien quiere que con migo (Who want what, what,
what)

Quien quiere que con migo (Quien quiere que, que)

Con migo (Con migo)

[T-Weaponz]

Venimos, tomando

Nos damo, guayando

Estamos, fumando

Gosando, guayando

[Verse 3: Ark]

They told us we couldn't

Do it again, well, we did it

Now women callin'
To, all they friends, and they with it
Keep thinking that
My crew is a trend or a gimmick
When we finish
Be a few, of the best that ever did it, won't admit it
But these dudes are impressed by the lyrics, when we
spit it
Mamis loosin' they breath, like we hit it, like we in it
Got loose in their dress, for a minute
We wicked
In the booth, and I bet it's T-Weaponz
We sippin' on a
Booze, in the V.I.P. section, so listen, mami
Move, I'm a show you, keep drinking
She wishin' that I
Knew or could tell what she thinkin', so I whispered that
I do, at the bar, around two, we can kick it

Repeat Chorus
