And you thought I was just holding on to the past  
Believed these eyes could never see ah  
In your face there are things I don't need  
You take slaves when you make us free  
When you make us free your way

And I ain't gonna come till I'm ready  
I ain't gonna come till I'm ready, no  
Ain't gonna come till I'm ready, I'm ready  
I ain't gonna come till I'm ready, oh

Ain't gonna come till I'm ready, I'm ready  
I ain't gonna come till I'm ready  
I ain't gonna come till I'm ready, I'm ready  
I ain't gonna come till I'm, oh yeah

I can see what you're all about  
You make us keep it in when we should let it out  
I'll get even some day ah  
You got it perfect now if you realize  
That sometimes you have to be nice or there'll be hell  
to pay

I ain't gonna come till I'm ready, I'm ready  
Ain't gonna come till I'm ready, no  
Ain't gonna come till I'm ready, I'm ready  
Ain't gonna come till I'm ready now

Ain't gonna come till I'm ready, I'm ready  
I ain't gonna come till I'm ready, no  
Ain't gonna come till I'm ready, I'm ready  
I ain't gonna come till I'm ready
