Can you hear the music?  
It's coming from the forest  
Where we used to live

Can you hear the laughing?  
Coming from the clearing  
At the bottom of the hill

(Ba, ba, ba, bah)  
Climb the hill and see the creatures  
(Ba, ba, ba, bah)  
Run about their world

(World party)  
How can I say, no?  
(No, party)

You know I've got to go  
(Go, party)  
Go to a world party

And tonight I'm going to ask a dolphin  
See if you can find a tiger  
Whose eyes are still alight

With your little head  
In his mouth  
Everything's gonna be alright

I hear there's going to be a harvest  
Where every creature gets a share  
Of life and food and light

(Ba, ba, ba, bah)  
Unless we learn, we're the dumbest creatures  
(Ba, ba, ba, bah)  
That ever walked the world

Are you going?  
Yes, we're going to a world party  
Well, how can I say, no?  
Yes, we're going to a world party

You know I've got to go  
Yes, we're going to a world party  
You know, you know, you know, hey

Pa, party  
Pa, pa, party

This party's in the mountains  
And in the fields and on the shore  
At the bottom of the sea

In the desert  
In the marshes  
Underground, up your tree

(Ba, ba, ba, bah)  
And out in space you can hear the creatures  
(Ba, ba, ba, bah)  
Sing about their world

Are you going?  
Yes, we're going to a world party  
Well, how can I say, no?  
Yes, we're going to a world party

You know I've got to go  
Yes, we're going to a world party  
Yes, we're going to a world party  
Yes, we're going to a world party

Yes, we're going to a world party
