(Cab driver) Shabazz {Razah}  
(Where do you go to my friend? Where you go to?)  
I'm saying, we trying to go to Red Hook - Um  
(Oh no too dangerous, get the fuck out, get the fuck out)  
C'mon man, c'mon man, look, hold up, hold up  
We just got off the train, we just came from  
Amsterdam  
We're tired, jet lag, we gotta get home  
All you gotta do - jump on the Bell Parkway West  
Exit the Airport, jump on Bell Parkway  
(Ok, ok, slow down, slow down, say it again)  
Aaight, look - Bell Parkway West  
{Right by the Brooklyn Bridge}  
Right, and then when you get off  
You take Exit 26B, you get off  
Go around the Battery Tunnel  
To Columbia Street, make a right  
And let us out right there  
Columbia and West ninth  
Matter of fact you can let us off by  
The school yard, so you don't gotta go into the  
buildings  
And we can walk from there  
So you can just get outta there youknewimsaying  
Yeah man, how much man? How much man?  
(Ok, \$40 dollars)  
\$40 dollars, c'mon man, like seriously  
{ \$40 dollars man from JFK to Red Hook}  
You serious? \$40 dollars, you don't wanna make  
niggas jump out  
(\$35 'cause I like your music, \$35)

[Hell Razah]

Yo, my hood is six-stories with OGs build and sip 40s  
With shorties ahead of the game who want glory  
They on me like Sherlock Holmes when they record me  
I wait for the spy to call that wanna off me  
I'm bossy, my mind is costly  
It's all 'cause I'm frosty and got hammer for the thief  
that cross me

I'm the nail in this coffin or it's crucifixion  
That ain't caught 'em up a brand new coupes and sixes  
Son I'm better off investing in that loot for business  
It's ok we ain't here to scoop your wizards  
Leave killers open minded like their roof was missing  
Left bow show y'all dealers how to use that kitchen  
Where I'm at ain't no popping off shooting and missing  
You be getting left holy like a new religion  
It's the Red Hook Rabbi, Renaissance Child  
When we spit they gotta bring it up to seminars now

{Yo make a left then make a right}  
Yeah, make a right right here  
Make a right right here  
{Make a right right here}  
(Where? Where? Where? Where?)  
Right here, right here  
Make a right right here, yeah, Columbia  
{Get off right here, right here}  
Right, right  
Now, go two blocks (Aight)  
Aight now you see where it goes like a like a pyramid?  
Stay to the left, that's still Columbia  
That way we go hit the ninth street  
Alright, yeah, yeah, right here, right here, right here  
See the school yard, right here, yeah, alright
