(Bazz talking)

Come around my way

(Welcome to Red Hook Houses)

Come around my way

(The home of Klein and Saye)

Come take a ride with me

(Matty Rich)

Come get high with me

(T.H.U.G. Angelz)

And take y'all to a hood that's vibe

(Carmelo Anthony)

Show y'all mothafuckas what defines me

(Uncle Cliff - Dumar)

[Shabazz the Disciple]

It's Red Hook, you know the name ring bells

G.G. last stop, nigga welcome to hell

It's like a maximum facility; your block is ya cell

And yo we see mad niggas get bucked but never tell

It's like a mandatory life no parole

Under the Rico Law

To land the glory trifling souls in them Puerto wars

Bet on the cocoa, whole hood is flooded with Bloods  
and Locas

Shorties will fuck you with two Sheikh's up in the cho  
cha

The staircase's like the Juvi max, you be laugh

This ain't a movie black, adolescents put 2 in ya coogie  
hat

It's a booby trap and the lobby is known for robberies  
Flooded with felons and everybody selling and  
briberies

Stuck you with the pistol, niggas will stick for the brick  
or crystal

Slide up the chain and the ring and the shit off the wrist  
too

Frisk ya, with the pop use the fifth and lift

You pop the shit to whistle

To increase the profit steering the fiscal

Judges and prosecutors be trying to send us to God

'Cause they know when we pop them shooter yo we

finish the job  
Trying to indict the whole operation  
But the 76 precinct don't be getting no cooperation  
And fuck the time we facing  
Catch you casing population  
The hood mentality max out like "Pappy" Mason  
When we pull it we use it, when we use it we mean it  
We keep a bullet for those who cross us and talkers  
who seen it  
This is the hood of the illest niggas who did it  
Few got away with it, some got indicted and some got  
acquitted  
You saw the article on Don Diva with the Godfather  
crime  
The Brooklyn Don for all you non-believers

[Hell Razah]

Welcome to Red Hook, this ain't Jamrock  
F train Smith and ninth get off last cart  
Nighttime playgrounds turning to coke spots  
'Narcs on the rooftops photos snap shots  
Now they got cameras and RoboCop watch  
Crack head's brain dead that'll sell you an X-BOX  
Shell shocked grand-pops tatted his teardrops  
Blocks been locked before the Mayor was egg-cotch  
Now the rent is high, price offer it three strikes  
Whites wanna rename the Liberty Heist now  
Shooters on the dirt-bikes sending them kites now  
There's no more parole so they giving us life now  
(They give us 45 now)  
This be the home where Capone became Scarface  
And if you get in the cab it could be a car chase  
If you ain't walking with faith this is the wrong place  
Its pissy elevators and late court dates  
Tape 38's raping plenty weights  
They're still moving that weight from off the staircase  
It's crazy Joe Gallows, neighbors of Castellano  
You won't make it pass the Verrazano  
You move a ki like a grand piano  
'Cause we them Red Hook Black Sopranos
