[Verse One: T.I.]

Now, e'rybody wanna be the king of the South
When, they ain't runnin a damn thing but they mouth
No doubt, it's all good, y'all just statin y'all opinion
But in the South and in the hood it's understood without
sayin
It's a given, and ain't because of what I'm doin for a
livin
It's, mo' because of what I do and how I'm livin
Not to mention when I'm rappin I'm just hurtin niggaz
feelings
(Niggaz feelings) And still chillin on somethin that's
into healing
Made provisions for the clique to continue keepin it
pimpin
Whether crack was in the house or record sales was
through the ceiling
So say what you want, and do what you please
But for fun, I shoot 22's from your shoes to your knees
I run a record label and a crew of G's
So, niggaz'll come and look for you if ya sneeze
or even breathe the wrong way, you better do what the
song say
And be easy, or else it'll be a long day

[Chorus: T.I.]

I'm a king - bank rolls in the pockets of my jeans
I'm a king - you pussy niggaz couldn't see me in your
dreams
I'm a king - top topic of all of your magazines
I'm a king - head of the body, leader of the team
I'm a king - remember I can get your block knocked off
I'm a king - a Bentley coupe with the top chopped off
I'm a king - I'm connectin nationwide but in the South
I'm a king - just respect it and keep my name out'cha
mouth
