(Hook, Akon) When they tell you that you'll never get  
over Just tell them you're number one You're a  
champion Don't believe 'em when they try to say it's  
over Just tell them you're number one You're a  
champion (Verse 1, T.I.) See the web site's lyin Tryin'a  
block my shine Don't you know you never gonna stop  
my grind In a drop top flyin like I don't got time Got  
everybody surprised that I won't drop dimes What's on

Akon) I can see it in your eyes It ain't hard to tell They  
watchin you They just tellin you lies They want you to

they try to say it's over Just tell them you're number one
