You shed a tear I watched it fall to your pillow  
Soon it will be dawn and then it's time for me to go  
I know that you're sleeping  
Still hoping and dreaming  
Why don't they just let us stay together  
So open up your eyes  
And kiss me goodbye

Why can't they see how much you mean to me  
You're always in my heart whenever we're apart  
Our loving should be free  
But they don't know how much you mean to me

They don't know, no, no ...

I touch your hand in the softness of daylight  
Hold you in my mind until I see you again  
You told me you'd be there still waiting forever  
Why can't they just love us each other  
So hold me in your arms  
Cos it's time for me to go now

Why can't they see how much you mean to me  
You're always on my mind  
I'm waiting for the time when our loving can be free  
But they don't know how much you mean to me

And it feels like the walls are tumbling down again  
And I feel my world is breaking apart again  
And I know that before this night is true  
I'm gonna break your heart  
I didn't mean it baby

Oh baby hey hey  
Why can't they see how much you mean to me  
You're always in my heart whenever we're apart  
Tell me why can't they see how much you mean to me  
You're always in my heart whenever we're apart  
Our loving should be free  
But they don't know  
How much you mean to me  
They don't know, no, no ...
