Come Back And Stay
I walk in the rain
Trying to wash away the pain
You went away
I made you cry so many times
Where do broken hearts go
How can broken hearts find their way back home
When nobody cares about you
And you're feeling blue
Come back and stay
Don't keep me waiting
(baby)
Come back and stay
Don't say goodbye
(Don't let my love die)
Come back and stay and try again
Don't walk away for I'm still your man
Where are you now
Where did you go
Come back and stay
Don't keep me waiting
I miss you
I walk in the rain
Thinking about the games I played
I am to blame
I lost my lovin' yesterday
Where do broken hearts go
How can broken hearts find their way back home
When nobody cares about you
And you're feeling blue
Come back and stay
Don't keep me waiting
(baby)
Come back and stay
Don't say goodbye
(Don't let my love die)
