3... 2... 1...

Here we go again
Right now
Let?s go
Me and you
Toe to toe
So we can rock
We can roll
Here we go again
Right now
Let?s go
Me and you
Toe to toe
So we can rock
We can roll

You see its one for the trouble
And two for the time
One for the trouble
And two for the time
One for the trouble
And two for the time
Come on y'all and let?s rock

Now I'm gonna full up my lungs with some butane
Turn the mic into a flame
Damn that shit's hot
Super heavy
Build like a Chevy
And I ain't really mad at the hey hey
Round two
You ready for a break
You keep on talking I?m gonna
Break you up something like this
Full throttle
Better be prepared
Coming with the kick and the snare
Apocalypse now
Whose talking shit now
Gimme the countdown

3? 2? 1?

Here we go again
Right now
Let's go
Me and you
Toe to toe
So we can rock
We can roll
Here we go again
Right now
Let's go
Me and you
Toe to toe
So we can rock
We can roll

I want to throw you
A tainted face right now
Not really sure that
Not really sure I know how
Gonna try
Gonna try
Give you piece of my mind
Gonna try
Gonna try
And I hope you don't mind
I'm a crack addict
That's right I'm a crack addict
You heard me I'm a crack addict
I'm addicted to crack it must cause static

It's time to panic

I'm addicted to crack it must cause static
It's time to panic

I'm addicted to crack it must cause static

Here we go again
Right now
Let's go
Me and you
Toe to toe
So we can rock
We can roll
Here we go again
Right now
Let's go
Me and you
Toe to toe

So we can rock
We can roll
