I see the way you look at me  
You envy me and it's killing you, eating you alive  
And you know it makes me smile when I look in the  
mirror  
Thinkin' how good it is to be king

And don't you wish you were me?  
King of all you see  
Don't you wish you were me?  
It ain't that easy  
Don't think you'll ever be,  
Everything a man should be  
Cause Don't you wish you were me?  
Keep dreamin' you'll never be me

Too soon, you'll be a memory  
Just illusion, there for all to see (forever)  
And sometimes it makes me laugh when  
I see your reaction  
Knowing that I've become mighty

#### CHORUS

Inside my mind there is a freak  
That drives me on past all defeat  
You'll never have, you can't instill  
The power of my iron will
