If I told you I was drunk  
Drunk on your smile  
Wasted on your eyes  
And most of your wine  
Would you be kind  
To someone so shy  
And take advantage  
Of me tonight  
cause I, I swear I wouldn't mind  
No I, I swear I wouldn't mind  
If I told you I was done  
Acting so cool  
Would you then say  
It wasn't working anyway  
Im not your type  
But that's alright  
cause you're feeling drunk  
So I'll do for tonight  
cause I, I swear I wouldn't mind  
No I, I swear I wouldn't mind  
If I told you I was drunk  
Drunk on your smile  
Wasted on your eyes  
And most of your wine  
Would you be kind  
To someone so shy  
And take advantage  
Of me tonight
