Jumping in the house of God
Jump up, jump in the house
Jumping in the house of God
Jumping in the house of God
Jump up, jump in the house
Jumping in the house of God

Lord God, One in three, three in the same
You promised when we meet in Your name
You will be with us, You will be here as well
Lord, to sing You praise, my heart's compelled
Righteousness and truth are Your throne
Love and faithfulness Yours to own
Lord who praise Your name gain blessings
We're walking in the light of Your presence

Stick up your hands
Stick ?em up, get ?em up in the air
Raise ?em up, up in prayer
Stick up your hands
Stick ?em up, get ?em up in the air
Raise ?em up, up in prayer
We're getting busy
We're getting busy
Who?s in the house?
God?s in the house!

We rejoice in Your name all day long
Praise Your love forever strong
Your Spirit comes, it comes like thunder
We're gonna sing You songs unnumbered
Jesus, You died on the cross to free us
We sing Your praise, Lord Jesus
Jesus, You died on the cross to free us
We sing Your praise, Lord Jesus

From the north to the west to the east to the south
We're all here, God?s in the house
From the north to the west to the east to the south
We're all here, God?s in the house
